Become a proud **EVENT SPONSOR** of Road Rally 2009

The Land Conservancy of Adams County invites you to be part of Road Rally 2009 on Saturday, October 17, 2009. It's the **"Back to the Future" Road Rally!**

**OCTOBER 17
2009**

Rally Teams will tour Adams County on public roads testing their skills to follow route instructions that will take them to many scenic and historical points of interest and to a Finish Line Party complete with great food, entertainment, door prizes and awards for top performing Teams. This is not a race; speed is not a factor and it all takes place during the height of Fall colors. It's perfect for anyone who enjoys a little friendly competition and a beautiful drive in the country.

The Rally Tour combines education and fun. Our goal is to raise awareness of the need to preserve the rural lands and character of Adams County while generating funds to support this important work.

In past years the event featured many Classic Cars and teams from a wide range of ages and occupations from all over Adams County. Teams competed in everything from a 1928 Ford Pick-up to the high-tech gas/electric hybrid Honda Civic 2008.

As you consider making a tax deductible contribution to support the Land Conservancy of Adams County we would be pleased to discuss any comments or questions you may have and look forward to your participation.

The Land Conservancy of Adams County is committed to helping landowners preserve farms, orchards, stream valleys and outdoor recreational resources in Adams County, Pennsylvania.
